

The Howard County GovConnects Advisory Council is a group of small and large government contracting firms (Federal, State, and Local), academia, government agency representatives and not-for-profit organizations that bring unique knowledge and skills that support the government contracting industries in Howard County and the surrounding areas. This group helps to augment the knowledge and skills of the Howard County Chamber of Commerce (Chamber) Board of Directors and staff in order to more effectively guide the organization. The Advisory Council serves to make recommendations and/or provide key information and materials to the Chamber board of directors. The Advisory Council aids in evaluating the performance of the program, reviews/monitors/assesses programs, serves as an advocate for the Chamber to the community it supports, gathers input from and/or serves as a liaison for relevant constituencies, provides feedback to the organization from the community, provides technical expertise, provides an independent/unbiased sounding board, and assists staff in determining important activities.
